BUGHOUSE BALLADS.

If Carrie Nation took to drink and threw away her hatchet,
The only way to cure the rash is never, never scratch it.

When sister palnts her cheeks she always sits before an easel—
I never owned a dear gazelle, but once I had a weasel.

If tomcats kissed when they made up, and buzzards carried babes,
And cows gave ale instead of milk we'd always love our neighbors.

—C. H. Musgrove in Louisville Post.

It pays to advertise. Through an ad. in the Lost Column of THE LEDGER a daughter of Mr. P. J. Murphy had a handsome silver mesh bag returned to her recently. Mr. M. C. Florer of The Robertson Advance wrote THE LEDGER that a Mr. Olivet party had found the bag, and upon a proper description of the article it would be returned to the owner.

Although the interest has ceased on a number of interest-bearing warrants issued to the members of the Legislature for salary, and the warrants have been called in, the holders of some don't seem to be a bit anxious to get their coin. Among the large number still holding warrants is Senator B. C. Grigsby of Tollesboro.

Mrs. Vest Felt Like Crying

Wallace, Va.—Mrs. Mary Vest of this place says: "I hadn't been very well for three years and at last I was taken bad. I could not stand on my feet I had such pains. I ached all over. I felt like crying all the time. Mother insisted on my trying Cardui. Now I feel well, and do nearly all my housework." No medicine for weak and ailing women has been so successful as Cardui. It goes to the spot, relieving pain and distress and building up womanly strength, in a way that will surely please you. Only try it once.

HERE is a sample of "the Missouri mule"
etiquette that actuates one CHAMP CLARK, the
new Democratic Speaker-to-be. During the
recent debate in the House on the new Tariff
Board Bill, Congressman SERENO PAYNE of
New York said:

"I hope that the gentlemen on the other
side, whoever they are, can get together on
some gentleman in whom they have confi-
dence."

CHAMP CLARK, who had already indicated
that he favored the bill, was on his feet in a
flash.

"A little more of that kind of 'gab' on your
side," he retorted, hotly, "and your bill is
dead."

Life Insurance or Death Insurance—Which?

People willingly pay large sums for
life insurance, which is really death
insurance; but real life insurance fre-
quently consists in taking Eckman's
Alternative.

Can any "lung sick" person afford not
to take the Alternative? It sharpens the appetite, makes life
look different, brings better health with
greater curbing power. Often persons
are so much improved that they can
work even before they are fully cured.

Investigate it, if you are broad minded
enough to believe that there can be a
cure for Consumption which has not been
sensationally exploited, or which is not
based merely on climatic or diet restric-
tions. Mr. Webb's report follows:—
Weldon, Ill.
Gentlemen: "During 1905, my physi-
cian sent me to Texas, from there to Col-
orado. I became worse and was sent
home to die. I heard of Eckman's Al-
ternative, began treatment, and was cured.
I earnestly recommend Eckman's won-
derful cure for Consumption."

A Healthful Old Age for Women

The turn of life is the most critical period in a woman's
existence. Owing to modern methods of living not one
woman in a thousand approaches this perfectly natural
change without experiencing a train of very distressing
symptoms.

Those dreadful hot flashes and the faint feeling that
follows, sometimes with chills, extreme nervousness and
despondency are symptoms of this condition.

Those hot flashes are just so many calls from nature for
help. Lydia E. Pinkham's Vegetable Compound was
prepared to meet the needs of woman's system at this
trying period of her life.

If this period is safely passed through the prospect will
be good for a long period of sound health and comparative
immunity from disease.

Here is Proof that Lydia E. Pinkham's Vegetable
Compound may be relied upon at this period:

Alton Station, Ky.—"I want other suffering women
to know what Lydia E. Pinkham's Vegetable Compound
has done for me. For months I suffered from female
troubles in consequence of my age, and thought I could
not live. I wrote you and after taking Lydia E. Pinkham's
Vegetable Compound I feel like a new woman. I thank
you so much for the good it has done me."—Mrs. Emma
Bailey, R. R. No. 1, Alton Station, Ky.

Kewaskum, Wis.—"Your medicine was a blessing to
me in my sickness at Change of Life. I cannot describe
what I suffered for five long years from headache, backache,
dizziness, no sleep, palpitation of heart and irregularities
which are common at that period and sometimes continue
for weeks at a time.

"I have been cured by Lydia E. Pinkham's Vegetable
Compound in dry form. I am 54 years old and can do all
my work."—Mrs. Carl Dahlke, Kewaskum, Wis.

MRS. MARTHA A. ARMSTRONG.

Mrs. Martha A. Armstrong, whose illness
has been noted in THE LEDGER, died last even-
ing at 4:15 o'clock at the home of her son,
Mr. Frank Armstrong, in Forest avenue, after
a protracted sickness, aged 86 years.

The deceased was born in Adams county,
Ohio, October 24th, 1825, but the greater
part of her long and useful life had been
spent in Kentucky, and for the past seventeen
years she had resided with her son, Frank, in this
city. She was a devout member of the First
M. E. Church, South, having joined the church
when quite young.

She was twice married and is survived by
three children, Mr. Frank Armstrong of this
city, Mr. R. H. Fisher of Columbus, O., and

Mr. N. B. Fisher of Vanceburg; also one
brother, S. C. Grimes of Farmdale, Ind.

Funeral tomorrow afternoon at 1 o'clock
from the house, with services by Rev. B. F.
Chatham of the First M. E. Church, South.
Interment in Maysville Cemetery.

MISS LOTTIE A. SMITH.

Miss Lottie A. Smith, youngest daughter of
Dr. and Mrs. T. H. N. Smith, passed away
yesterday afternoon at 2:30 o'clock at the
family residence in East Second street, after
an illness of four weeks with grip, aged 21
years.

Miss Smith was a lovable person and greatly
admired for her gentle, Christian spirit and
goodness of both head and heart. She was a
zealous worker in things pertaining to the
welfare of her Church—First Presbyterian—
and her death will leave a void hard to fill.

She was a popular favorite in a large circle
of associates and her death will cause sor-
row with all who knew her.

Besides her parents she is survived by three
sisters and one brother—Mrs. Robert Kim-
brough, Miss Lily Wardle Smith, Miss Pickett
Smith and Mr. Nelson Smith.

Funeral arrangements will be announced in
tomorrow's paper.

WHEN HER BACK ACHES.

A Woman Finds All Her Energy and
Ambition Slipping Away.

Mayville women know how the aches and
pains that come when the kidneys fail, to
make life a burden. Backache, hip pains,
headaches, dizzy spells, distressing urinary
troubles, all tell of sick kidneys and warn you
of the stealthy approach of diabetes, droopy
and Bright's disease. Doan's Kidney Pills
permanently cure all of these disorders. Here's
proof of it is a Mayville woman's words:

Mrs. John Burns of Mayville, Ky., says: "I
value Doan's Kidney Pills just as highly today
as when I gave a statement for publication in
their favor some years ago. I was subject to
attacks of kidney trouble and at times the pain
in my back was so acute that I was confined to
my bed for days. The prompt relief I re-
ceived from Doan's Kidney Pills, procured
at J. J. Wood & Son's Drugstore, was very
gratifying, and during the years which have
since elapsed, I have had no serious return of
kidney trouble. On some occasions, I have felt
a slight backache, but a few doses of this val-
uable remedy have never failed to ward off any
bad attack."

A Clean Man

Outside cleanliness is less than half the battle. A man may
scrub himself a dozen times a day, and still be unclean. Good
health means cleanliness not only outside, but inside. It means
a clean stomach, clean bowels, clean blood, a clean liver, and
new, clean, healthy tissues. The man who is clean in this way
will look it and act it. He will work with energy and think
clear, clear, healthy thoughts.

He will never be troubled with liver, lung, stomach or blood
disorders. Dyspepsia and indigestion originate in unclean stom-
achs. Blood diseases are found where there is unclean blood.
Consumption and bronchitis mean unclean lungs.

Dr. Pierce's Golden Medical Discovery

prevents these diseases. It makes a man's insides clean
and healthy. It cleans the digestive organs, makes pure,
clean blood, and clean, healthy flesh.

It restores tone to the nervous system, and cures nervous exhaustion and
prostration. It contains no alcohol or habit-forming drugs.
Constipation is the most unclean uncleanliness. Dr. Pierce's Pleasant Pel-
lets cure it. They never gripe. Easy to take as candy.

Not a Day in Bed

Gramling, S. C.—In a letter from Gramling Mrs. Lula Walden says: "I was so weak before I began taking Cardui that it tired me to walk just a little. Since taking it I do all the housework for my family of nine, and have not been in bed a day. Cardui is the greatest remedy for women on earth." Weak women need Cardui. It is the ideal woman's tonic because it is especially adapted for women's needs. It relieves backache, headache, dragging feelings and other female misery. Try Cardui. A few doses will show you what it can do for you. It may be just what you want.

The HIGH COST of LIVING

Has been greatly reduced in thousands of homes in all parts of Uncle Sam's broad domain this winter through the use of

THE WILLIAMSON UNDERFEED FURNACES AND BOILERS

The reason is plain. Cheapest slack in the Underfeed gives as much clean, even heat as the most expensive grades which ordinary heating plants require. All the fire is on top and has to eat down into the fresh coal underneath against the draft. Combustion is slow and perfect, and smoke, soot and gases are entirely eliminated. This enables Underfeed Furnace and Boiler users to effect an every year saving of 50% to 65%. Why give this good coin to the coal man? Put it in the Underfeed and let

It Pay for itself.

Write today for free booklets of Underfeed Warm Air, Steam and Hot Water Heating Systems. Many people in Maysville and vicinity are enjoying perfectly heated homes and the great savings which Underfeed heating plants insure. Why not investigate these money-saving heaters of the century NOW?
